

Angkor Ultra-trail

THE ANGKOR ULTRA TRAIL: a world premier!

Initiated by Jean-Claude Le Cornec and his team, an unprecedented sport event will be held on the 23rd January 2016 in Cambodia! In the program, it is 128 km of a breathtaking race in an exceptional surrounding. Explanations:

A specialist of races overseas, Jean-Claude Le Cornec just launched a new challenge by creating the "Angkor Ultra Trail", a singular race of 128 km in Siem Reap, the Cambodian archeological site ranked as a World Heritage by UNESCO.

An unforgettable challenge

“A worldwide event for the world’s first”: Runners will cross several exceptional sites dominated by mountains and temples, evolving through impressive landscapes over a vast area where rice fields, forests, villages offer panoramas of surprising diversity. Moreover, four races are scheduled according to the levels of difficulty: the 128 km Ultra Trail, the 32 km Trail or 64 km trail and 32 km Nordic Walking. It is, without a doubt, one of the most wonderful races in the world set in an amazing location in which everyone is free to participate.
